We are proud to support the BOMA Excellence Awards and share in BOMA Calgary’s recognition of companies and individuals whose efforts continually raise the bar of industry excellence.

Thank you to everyone at BOMA Calgary for the opportunity to be a part of the Excellence Annual Awards again in 2016. At TransCanada we value the relationship we have with the BOMA community and look forward to growing our connection over the coming years.

The BOMA Excellence Awards are committed to celebrating the successes of industry leaders and inspiring members to achieve even greater levels of accomplishment. Similarly, as one of the province’s leading electricity suppliers, TransCanada continually strives for higher levels of achievement. Our western power group has built a reputation for providing Alberta industry and businesses with competitive prices, unparalleled market knowledge, straightforward contracting and tailored customer service.

We wish you the best on your award submission.

EARTH AWARD

ELIGIBILITY

1. There is no limit to the number of buildings a property management firm or owner may enter.
2. The building must be owned or managed by a BOMA Calgary member.
3. The building must be at least three year old from the date of occupancy of the first tenant by January 29, 2016.

RECOGNITION

The BOMA Calgary Earth Award will be presented at the BOMA Calgary Celebration of Excellence on May 12, 2016.

TO ENTER

Entrants are asked to forward a completed Earth Award registration form. Once received, entrants will be provided with a Submissions Guidebook outlining details of the formal submission. Formal submissions must be received by 4pm, February 26, 2016.

THE AWARD

The BOMA Calgary Earth Award is the most prestigious and comprehensive program of its kind in the commercial real estate industry, recognizing excellence in environmentally sound building management. All entrants must be BOMA BEST® certified.

The 2016 Earth Award has been designed to align with BOMA Canada and BOMA International Earth Award program requirements.

All entries will be subject to a site visit and verification process.

Applicants are required to submit a binder. BOMA BEST binders may be used as the foundation for the Earth Award, but please pay attention to the different requirements, particularly in the OH&S sections.
